DIRECTORY

Display and Handicrafts.....Student Union Building

Grain Show.....Student Union Building

Livestock Show and Official Opening.....Rink (Old Drill Hall)

Poultry Show.....Stock Judging Pavilion

DEAN'S MESSAGE:

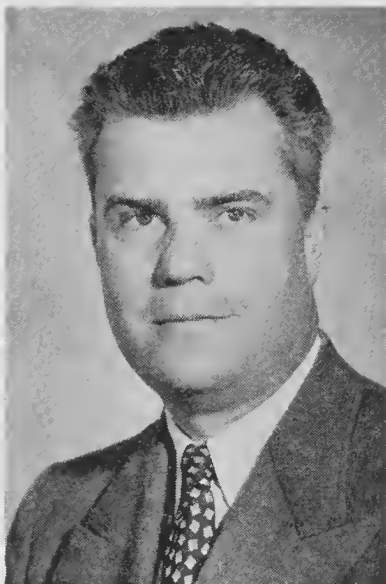

We extend to you a sincere welcome to this, our Eighth Annual Student Winter Fair. The members of the Faculty of Agriculture and Home Economics are always pleased to assist in any worthwhile student project, and to welcome their many friends and visitors to the campus. Much time and effort have gone into the preparation and presentation of this Fair. Competition will be keen and the results should be of interest to all. We are confident that all participants will gain valuable experience.

The success of this major student activity depends greatly upon the generous donations of many Agricultural and other organizations. We do appreciate your support and believe that you will derive considerable satisfaction from the fact that you have, in no small measure, contributed to the success of this enterprise.

To those of you who have given so freely of your services, we offer a sincere expression of thanks. I know that our students are deeply conscious of your generosity.

Finally, I would like to welcome the students of the Agricultural and Homemaking School at Brandon who, for the first time, are participating in some of the events. We hope that you will have an interesting and profitable day, and that you will plan on registering for the second year of the Diploma Course in Agriculture at The University of Manitoba this fall.

Students and Faculty join me in the wish that you, our visitors, may enjoy "Fair Day," 1954, to the full.

J. R. Weir

Dean.

JUDGES

CLASS RIBBONS

All the prize ribbons are donated by the Manitoba Co-operative Wholesale, Feeds Division.

As members of the Executive of the eighth Agricultural Student Winter Fair, we wish to express our sincere thanks to the firms who contributed so generously to this annual event.

We are particularly indebted to The Winnipeg Grain Exchange who have borne the full cost of printing this catalogue and have donated the sum of one hundred dollars to cover the expenses involved in sending the fair manager and his assistant to the Student Winter Fair at Saskatoon, Saskatchewan.

The Eighth Annual Winter Fair is not the product of any one student. It is the result of the co-operation and participation of every student in the Faculty of Agriculture. As well as the participants and competitors there are the men behind the scenes who have worked tirelessly to make the show a success. As manager, I wish to thank all these students for the support and help that they have given me.

A special vote of thanks goes to the judges, demonstrators and instructional staff who have contributed so generously their time and effort. We sincerely appreciate your interest.

It is our hope that the visitors to our show have enjoyed it to the utmost, and make their attendance to the Agricultural Winter Fair an annual event.

W. J. STRATH,
Fair Manager.

This catalogue has been
made possible by the gen-
erous donation of The
Winnipeg Grain Exchange.
